DILLION'S SPORTS REPORT

BASKETBALL REPORT --

The Stony Mountain All-Stars had two games since the last issue was published and although they lost both games played good competitive ball. We hosted a team composed of the Winnipeg Blue Bombers and came out on the short end of a 59-50 score. Scoring for the All-Stars were R. Milligan with 18 and D. Dillon and N. Baptiste chipped in with 12.

However in the second game we were trounced 81-63 by the Southpark Cougars. The score was tied at the half at 32. But due to the fact of the All-Stars being together for only a short period of time we fell apart in the second half and were completely

outplayed. The high scorers for the All-Stars were J. Brothers and D. Dillon with 14 points each.

On the lighter side the Over the Hill gang rode again. The CFRW Double Dribblers were held to a tie, 64 - 64, by the old-timers in a hilarious and highly entertaining contest held recently in the gym. The game was complete with many humorous antics by both teams and Dick Reeves, a member of the CFRW team commented on the fellowship and good times had by all.

NOTE FROM THE SPORTS REPORTER

If you don't see any articles concerning the various sporting events that have occurred during the past few weeks or so don't be too alarmed. For this issue I am concentrating on the present and future sports events and hope to publish the results of the past events in the next issue.

SPORTS RAMBLINGS

There will be two fastball and one slow-pitch leagues this summer. Anyone interested in participating should keep their eyes posted to the bulletin board for times and dates.

The old ball diamond is to be moved to a new location in the near future as the old wall is being torn down. Everyone is asked to be patient with the field. Hopefully it will not take long to reconstruct a new field. I was informed that no matter what condition the field is in there will definitely be a ball diamond.

COMING EVENTS --

On April 17, 1980 there will be a sports banquet to be combined with a social for presentation of awards. A member of The Winnipeg Jets and the Winnipeg Blue Bombers will be in attendance. For more information contact the IWC office.

So you think you're fast . . .

"Was I fast?" said Big Joe. "Listen you guys, when I played for SMI, every time I hit one of my many home runs I reached first base before the spectators could hear the crack of the bat. Then when I rounded second, the second baseman usually said something that made me sore, so I slapped the third baseman in the catcher's mouth. Not bad, eh?"

A LEGEND —

This is a brick! This brick was part of a wall that seven men faced and only one managed to escape. The other six were killed in cold blood. The one who escaped was probably one of the most notorious men of the 1920s. Who was this man?

To some he was known as Scarface Al, to others he was called Mr. Capone. Alphonse Capone achieved the highest gross income of anyone in 1927. He was born in Naples, Italy in 1899. Who would have guessed he would become a legend in his own time.

He lived the life of a con-man and gambler. He operated whiskey stills during prohibition. He owned dance halls and 1 or ??? houses of ill repute. He also made a point to have all the shop keepers pay protection from the likes of George Bugs Moran.

Moran hated Capone and desperately tried to set him up but Capone knew this. Al had a friend (The Wizard) who he had to keep and eye on what Moran was up to.

On February 14, 1929 Moran phoned Capone and asked him to meet him at the garage on Clark Street. Moran took this as the perfect opportunity to eliminate his arch rival . . . along with his men. However The Wizard got to Capone and he warned him of the impending danger. That day turned out to be the bloodiest day of 1929 -- more commonly referred to as the St. Valentine's Day Massacre.

After 1929 and Capone's uncanny luck to escape certain death he continued along the same lines. The massacre probably enhanced rather than hindered his operations.

However in 1938 Big Al's luck ran out and he was sentenced to eight years in prison for tax evasion. Capone figured he was playing it smart when he had a legitimate business to cover his operations. It proved to be his undoing. After he served 7 years behindbars he died of syphyllis of the brain on April 11, 1945. The end of a Legend. . . .

A MESSAGE FROM CHAPLAIN FRIESEN

The Easter season is past and we are looking forward to summer, but what has Easter meant to us? If we would take a straw vote we would run into various answers. To some it means family gatherings, bunny rabbits and Easter eggs. To some it may be an extra holiday away from work. Some might have just let the season slip by with no special thoughts. For some it has had great meaning, the celebration of a coming Saviour.

To the world it means that a Saviour has come who died on behalf of all mankind and rose again on the third day. The finished work of Christ offers "whosoever will may come and receive of God full redemption." Sad to say, only few realize this.

To God it means that He is satisfied with the sacrificial death of Christ to cover the sins of the whole world. "He was wounded for your transgressions, He was bruised for our iniquities (sins)." "Jesus was delivered for our offences and raised again for our justification." (Romans 4:25). God so loved that He gave His only begotten Son.

To the believer behind bars or on the outside, it means peace and joy midst struggles and problems. The sins and the guilt have been taken care of by Christ on Calvary. "For He (God) has made Him (Jesus) sin for us who knew no sin that we might be made righteousness of God in Him." (1 Cor. 5:21).

Furthermore, it means a pledge of immortality to the believer. "Whom (Jesus) God hath raised up, having loosed the pains of death," (Acts 2:24) and "For as in Adam all die, even so in Christ shall all be made alive." (1 Cor. 15:22).

The believer has a great future for the sinner, for God, and for the believer. Praise God for Easter.

FILM FESTIVAL!!

The Toastmaster's Organization meets every Monday night from 7-9 p.m. in the Cultural Centre. Everyone is welcome to attend.

The purpose of this group is to help anyone who is willing to participate to become a better thinker, listener and to understand what is being said. It also strives to teach public speaking. It is keyed on removing nervousness from individuals when talking in front of large groups of people or on a one to one basis.

Membership costs \$23.50 per year for which you receive a T-shirt, a book binder containing information on how to speak and make speeches effectively. It also includes admission to all socials they sponsor. Fees are taken from the ITF (Inmates Trust Fund).

Speeches are both serious and humorous with certificates of merit being given to the speakers after completion of a certain number of speeches. Speeches range from 2-7 minutes for beginners and 10-15 minutes for journeymen.

If interested in joining this group all you have to do is show up at the Cultural Centre any Monday and contact Jim Jarvis, Sargent at Arms or see him at B7 - 8 during week days for more information.

Coming up for the Toastmaster's on Monday, April 14 is a FILM FESTIVAL. Everyone is welcome to attend. Admission is 50¢ per person with hot buttered popcorn being served at no cost. The Films will last for approximately 3½ hours. For more information contact Bill Johnson.

On Monday, April 21 outside guests from the Thunderbird Club will be coming in. This is a women's group and everyone is welcome to attend.

AT THE UNIVERSITY

The student committee at SMI consists of five students currently active in the Stony Mountain Academic Program.

Among the primary functions of the committee are:

1. Provide advice on future courses to be offered at the Institution. Courses are selected and voted on by students in the program. We are currently working on a long-term rotating cycle of courses that will make available several major/minor combinations as well as interesting electives.
2. Provide assistance in pre-registration for all courses and on-going recruitment of new students into the program. Alternating members of the committee interview new arrivals to explain the academic program that is available.
3. Plan social events for the year. The committee, along with other students, determines the type of activity and the necessary arrangements. These are forwarded to the Institution administration for approval. Following approval the committee carries through the details for each event.
4. Provide assistance to students in academic concerns including information on opportunities for continued studies after release from the Institution.

During 1979 - 80 the equivalent of 7 full courses were for offer at the Institution beginning last summer and ending in April of the current year. These included Remedial Maths, Introduction to Psychology of Personality, Abnormal Psychology, Art of Film and the Native People's of Canada. In addition two Learning Skills programs were provided. The courses are offered in special four month modules. We hope to increase the number of courses available for 1980-81 to eight.

The past year saw SMI students participate in the Festival of Life and Learning for the first time. Our booth, located in Campo at University Centre, was occupied by two inmate students. We enjoyed the opportunity to speak with visitors about life in an institution and our academic program.

The University program is an extension program provided through the Continuing Education Division. We also have an upgrading program at the school consisting of Grades 0-5, 5-10 and 11-12.

If you have any questions about the academic program at SMI, feel free to contact Ed Anderson or Herb Williams, Council Representative.

NEED A "T" SHIRT

The Jaycee Organization meets every Monday night at 7 p.m. at the Library. All inmates are welcome to attend. Outside guests are present at most meetings.

The Jaycee's are a group which are trying to perform functions to help better the attitudes towards inmates. Basically they are engaged in activities to make money to give to groups such as Crippled Children and underprivileged groups.

Membership fee for one (1) year is \$15.00 which includes receiving a certificate showing your participation, a pin for your lapel or whatever and a name tag. Very worthwhile group to belong to.

One project which is in full swing at present is the Jaycee Photo Project. You can get a picture of yourself or yourself and friends. Also when you get a visit it can be arranged to get a picture taken. The pictures are taken in the Library on Fridays and they only cost \$1.25 each.

If your interest is aroused you can contact either Jim Wattson at A2 - 8 (Kitchen Range) or John Haas A2-10 for more information.

Another bonus offer is T-shirts. It seems the Jaycees have 15 or so left over from last year. The regular price was \$4.00 per T-shirt, but now are clearing out what they have left for \$1.50 each. If you want to get one you better hurry down to the Kitchen Range and see Bill Beamer in A2-9 before they're all gone.

ON THE CONVERSE SCENE

On April 17, 1980 at 7 p.m. in the Cultural Centre, Converse will be holding a general meeting. This meeting is open to ALL INMATES who wish to attend.

The purpose of this meeting is to have a discussion on attitudes with members of the news media and with students from the University of Manitoba concerning outside attitudes towards inmates. This might be a good time to get some questions answered from the people who are supposed to know just what the hell they're talking about.

If you have any questions concerning the meeting you can contact: PAT TOBIN, Secretary, Converse, M6-22.

JUDGES -- A judge, noted for his gentleness to defendants, asked the contrite and broken man before him if he had ever been sentenced to imprisonment?

'No, your Honor,' said the prisoner and broke into tears.

'There, there, don't cry,' said the kindly old judge. 'You're going to be now!'

TRIALS -- The Chinese thus describe a trial in the English law courts: 'One man is quite silent, another talks all the time, and twelve men condemn the man who has not said a word.'

'Thankyou for your kind encouragement, said the rabbit, 'but for goodness' sake shoot the dog.'
